Okie doke! How does 10am-2pm sound? You guys can either take a late lunch, or break for a quick lunch and resume, if needed?

Hello Heidi,

July 18th will work. If he is amenable to coming here, that would be great.

Thanks, David

Good morning David,

Tim Kustic requested that I contact you regarding a meeting with DOGGR. He said he mentioned to you a couple weeks back that we would be in contact to set something up to discuss UIC – to give you an update on where we're at, provide information, and share documents. He is open to coming to San Francisco if you're not able to travel to Sacramento. Are you and your people available on either July 18th or July 24th? Please advise.

Thank you, Heidi McDonald 916/323-1777
